Experienced Leadership Team

Epiphany Legacy Investment believes in giving back to the community and is driven by strong personal values including integrity, openness and transparency. With over 100 years of combined senior management experience in commercial and residential real estate and business the team is seasoned, versatile and are highly respected business leaders in Southern Alberta.

Senior management has the ability to see broad business opportunities for developing innovative strategies and translating those into initiatives, that are implemented efficiently within the organization's mandate. Combining this translates into a solid foundation that will provide growth opportunities and infrastructure for years and decades to come.

Investor Mandate

- 1 Deliver sustainable value to our investors year after year through adherence to clear, well-defined, team driven parameters and strong governance principals.
- 2 Create accretive growth through the disciplined acquisition of commercial and residential real estate assets.
- 3 Provide stewardship of the assets through a focus on process, in order to drive certainty, consistency, and growth in the trust and the underlying businesses.
- 4 Increase cash flow and profitability by utilizing our expertise in acquisitions, operations, finance and management.
- 5 Focus on balance sheet strength and liquidity, coupled with a disciplined and mature financial model to ensure predictable outcome from our assets, while providing certainty (of income) to our investors.
- 6 Maintain strong banking relationships to optimize our cost of capital and provide enhanced liquidity and flexibility in our financing options. This will result in a competitive advantage and allow the trust and underlying businesses to react efficiently to market changes.
