THE DECEMBER, 2024 RESULTS HAVE BEEN PREPARED BY THE ASSET MANAGER AND ARE UNAUDITED.

Note 1, The targeted yield and returns disclosed have not been independently verified and have been prepared by Management. The targeted returns are estimates only and actual results may differ.

Note 2, "Tax-Efficient" and "Tax-Advantaged" Income means that due to the general ability of real estate owners (like Legacy Investment REIT) to deduct capital cost allowances against income, current taxes can often be reduced and/or deferred; whereas with an interest-bearing instrument, such as a bond or deposit, no such offset from capital cost allowances are available.

Note 3, the following graph depicts the performance of a \$100k investment in Class A units with the DRIP option, from the inception of the Trust.

Note 4, the following graphs represent the assets and buildings collectively held by the Trust and two Limited Partnerships Epiphany Commercial and Epiphany Multi-Family.
